

*Cafe Clerk Job Scope:*

The Café Clerk is responsible for merchandising café products to ensure high visual appeal and stand out quality. Additionally, the Café Clerk will interact with all customers to ensure that customers are able to have the best possible shopping and dining experience while in store including having their questions heard and answered.

*Cafe Supervisor Job Scope:*

The Café Supervisor is responsible for the daily supervision of Clerks within the Café. This includes the scheduling of daily activities including service rotations and breaks. The Café Supervisor will provide training and direction to Clerks and will provide staff with feedback on their performance in the moment. The Café Supervisor will be responsible for completing additional daily tasks including stocking, rotating, merchandizing and providing excellent customer service.

*Fresh Clerk Job Scope:*

The Fresh Clerk will help to merchandise short dated products to ensure high visual appeal and stand out quality. Additionally, the Fresh Clerk will interact with all customers to ensure that customers are able to have the best possible shopping experience while in store including having their questions heard and answered, and by hearing stories about the farmers and vendors that we work with.

*Fresh Supervisor Job Scope:*

The Fresh Supervisor is responsible for the daily supervision of Clerks within the Fresh department. This includes the scheduling of daily activities including floor rotations and breaks. The Fresh Supervisor will provide training and direction to Clerks and will provide staff with feedback on their performance in the moment. The Fresh Supervisor will be responsible for completing additional daily tasks including stocking, rotating, building displays and providing excellent customer service.

If any of these opportunities sound like a fit, we'd love to meet you!
